LIABILITY AGREEMENT FOR PAINTBALL

Translation for convenience – the German version is legally binding.

Mr/Ms _____ date of birth _____

Address _____

accepts responsibility and liability for the paintball group he/she leads. In particular, he/she guarantees that the _____ markers and _____ protective masks handed out will be returned at the end of the game.

The group leader takes responsibility for ensuring that the game runs in an orderly manner and that other guests of the leisure park are not bothered or harmed by paintballs.

The group leader makes sure that no paintballs fly onto the neighbouring rescue helicopter site!

SAFETY RULES

1. Markers are loaded only at the waste container – by the forest to the left of the pond.
2. The markers may only be used on the designated, natural forest plot. Only turn on the CO2 at the entrance!
3. Protective masks must be worn while the markers are in use.
4. When a marker is not in use: remove the CO2 cartridges or compressed-air tanks and make sure that no paintballs remain in the marker.
5. Never aim or shoot at people who are not wearing a paintball mask.
6. Never shoot at people from less than 10 metres away – risk of injury!
7. Under-18s may only play, without exception, in the presence of an adult or legal guardian who takes responsibility for constantly ensuring that the protective masks are never taken off.
8. The group leader must carry a mobile phone in order to be able to call the ambulance or fire brigade.

I hereby confirm that I have taken note of the safety rules and will make sure that my group uses the markers properly and without endangering others. I further acknowledge that the game is only possible on the forest area approved by the authorities and marked off with barrier tape.

Date _____ **Signature** _____

Additionally responsible for mask wearing _____ **Playing time** _____
